ACADEMY CLASSES

LEARN THE GAME

We use the National Operation 36® framework to structure the program. It consists of Coaching, Playing, & Training programs and is designed to teach golfers to play the game, starting with the short game and working up to the long game. Each golfer will be issued a profile in the Operation 36® Mobile App to track progress and rank them nationally through a 6 level curriculum that is designed to set appropriate objectives and challenge each student towards shooting par or better (score of 36) for 9 holes.

OPERATION 36® MATCHES

TEST YOUR SKILLS

OPERATION 36® ACADEMY & MATCHES

We use the National Operation 36® framework to structure the program. It consists of Coaching, Playing, and Training Programs that are
designed to teach golfers to play the game starting with the short game and working up to the long game. Each golfer will be issued a profile
in the Operation 36® Mobile App to track progress and rank them nationally through a 6 level curriculum that is designed to set appropriate
objectives and challenge each student towards shooting par or better (score of 36) on 9 holes from 25 yards up to 250 yards.

The Operation 36® Matches provide a great experience for you to challenge and test your skills on the course. You are encouraged to bring a
Caddy with you. All matches will start at 1:00 PM sharp on Saturday afternoons. You can arrive at 12:00 pm to warm up for your match. A
large bucket is included with your match. Matches are **required** for all packages.

A Program Packet will be sent home on the first day of class for your child. Please fill this packet out and return to Lit'l Links during your next
